Gent.le Cliente,

siamo lieti di informarLa che il lavello Sinphonia è stato pre - selezionato per il premio "Il Compasso d'Oro".

Il "Compasso d'Oro ADI" istituito nel 1954 è il primo e il più autorevole premio europeo del settore ed ha lo scopo di valorizzare la qualità del design italiano. Il premio viene assegnato sulla base di una preselezione effettuata da una commissione di esperti (critici, storici, progettisti, giornalisti specializzati) impegnati con continuità nel raccogliere informazioni, valutare e selezionare i migliori prodotti.

Ogni anno la commissione assegna agli oggetti selezionati la denominazione di qualità "ADI Design Index" e li segnala al pubblico in un annuario che porta lo stesso titolo.

Ogni tre anni la giuria internazionale del Compasso d'Oro sceglie gli oggetti da premiare esclusivamente tra quelli che, nel triennio precedente, sono stati pubblicati su "ADI Design Index".
È proprio su tale pubblicazione è stato inserito il lavello Sinphonia di Apell.

Questa segnalazione rappresenta per noi la conferma della bontà della strada intrapresa verso la continua ricerca e la creazione di oggetti da un tempo eleganti e raffinati nella forme e nei materiali, versatili e funzionale nell'utilizzo di tutti i giorni.

Vorremo cogliere questa opportunità per rivolgere il nostro ringraziamento a tutti i nostri partner che con continuità e con il lavoro di tutti i giorni portano questi concetti sui loro mercati di riferimento.

Apell S.p.A.

Info

Tipologie

Incasso Bordo 6 / Bordo 8 / Bordo 10
Il numero indica l'altezza in mm del bordo del lavello rispetto alla superficie del piano di lavoro su cui poggia.

Incasso Semifilo
In questa particolare categoria di lavelli da incasso, il bordo esterno sottile e inclinato rende l'estetica più pulita ed elegante.

Incasso Flat
È un particolare sistema di incasso in cui il bordo esterno non è piegato, ma piatto e appoggia semplicemente sul piano di lavoro.

Sottotop
Il lavello è montato dal basso, in corrispondenza di un foro incasso molto preciso da praticare con la dima di foratura in dotazione. Gli appositi ganci spingono il lavello contro il top e la guarnizione garantisce la tenuta.

Fitting

6-Edge / 8-Edge / 10-Edge Inset
The sink frame is raise by respectively 6mm, 8mm or 10mm above the kitchen surface, and the rim is perpendicular to the work-top.

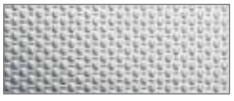
Thin-Edge Inset
The slimmer, sloping profile of this inset sink results in a more stylish look.

Flat Inset
A peculiar inset system where the sink edge is flat and laid on the work-top.

Undermount
The sink is fit to the kitchen from below. A template is supplied in the packaging to allow a very close cut out, while a set of brackets are provided to push the sink up against the gasket which seals the gap with the work-top.

Finiture

Finitura satinata
Questa finitura conferisce all'acciaio brillantezza e facilità di pulizia.



Finitura antigraffio
La trama antigraffio protegge la superficie del lavello da urti ed abrasioni.

Finitura micro-antigraffio
Nuova finitura, caratterizzata da una trama discreta che abbina estetica e resistenza.

Finish

Satin finish
The finish result in a shiny, easily maintained surface.

Linen finish
The linen pattern serves as a protection against accidental scratches.

Micro-Linen finish
This new subtle pattern matches durability and style.

Note

Tutte le misure, tranne ove diversamente specificato, sono espresse in mm.

Apell S.p.A. si riserva di apportare senza preavviso tutte le modifiche che riterrà utili al miglioramento dei propri prodotti.
